

Mathématiques - *Géométrie*

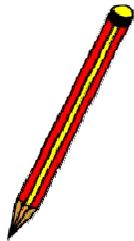

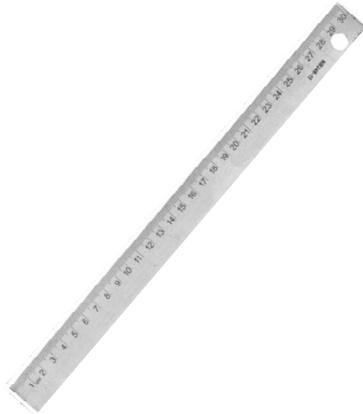

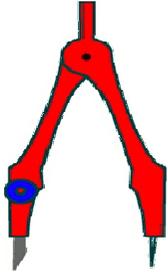

Les triangles

Reproduire un triangle.

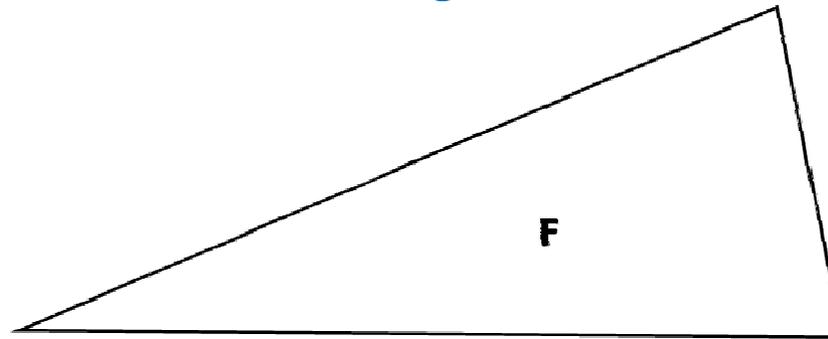

Reproduisons le triangle suivant :

Instruments

Reproduisons le triangle suivant :

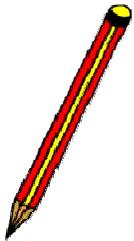

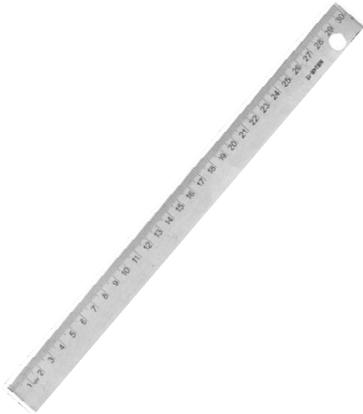

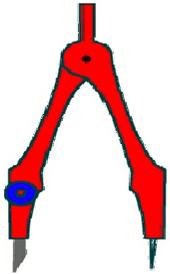

J'ai besoin...

... d'un compas...

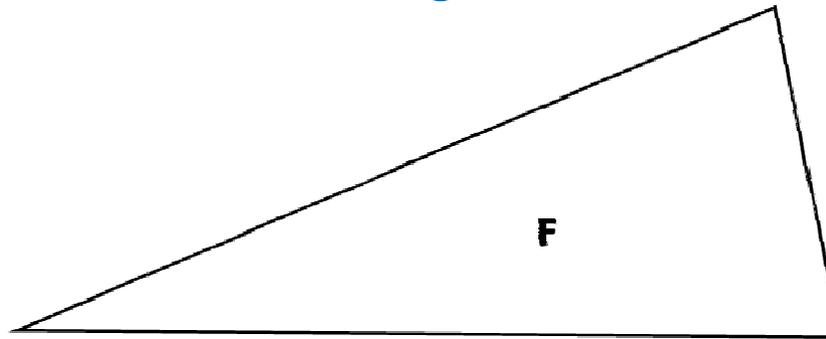

... d'une règle graduée...

... et d'un crayon gris.

Instruments

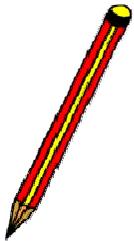

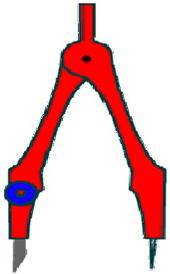

Reproduisons le triangle suivant :

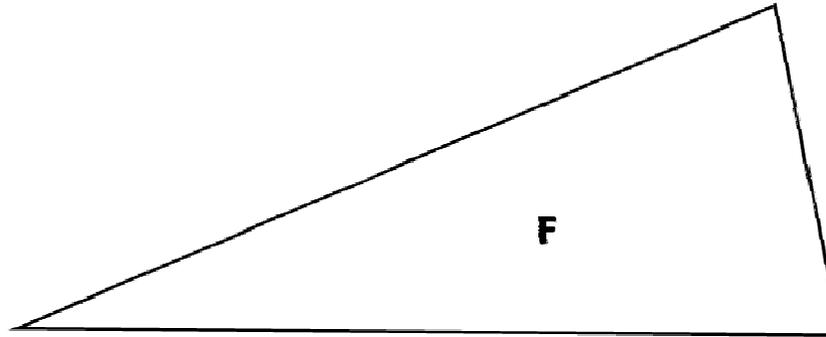

1 - Je mesure un premier côté.

Instruments

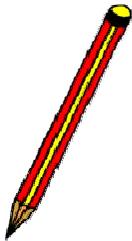

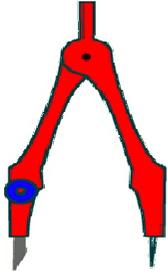

Reproduisons le triangle suivant :

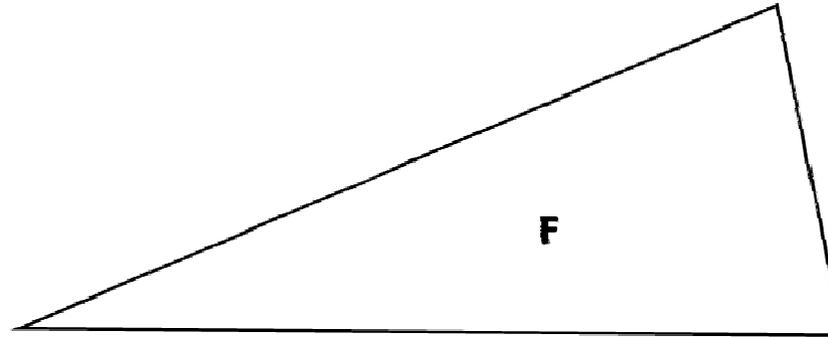

2 - Je le reproduis.

Instruments

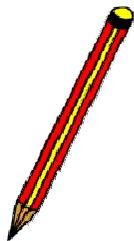

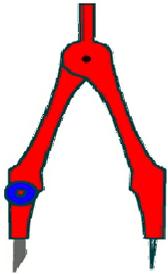

Reproduisons le triangle suivant :

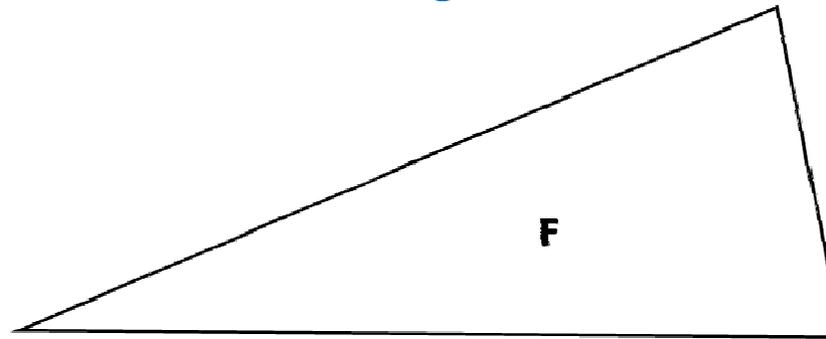

3 - Avec mon compas, je prends l'écartement d'un deuxième côté.

Instruments

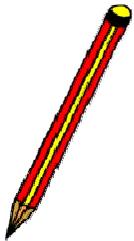

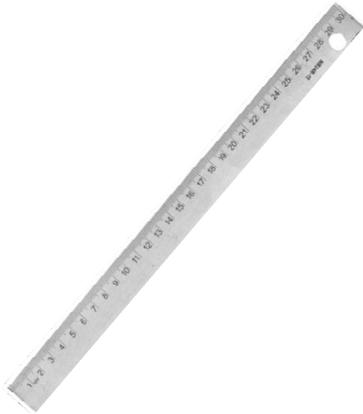

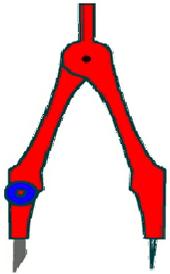

Reproduisons le triangle suivant :

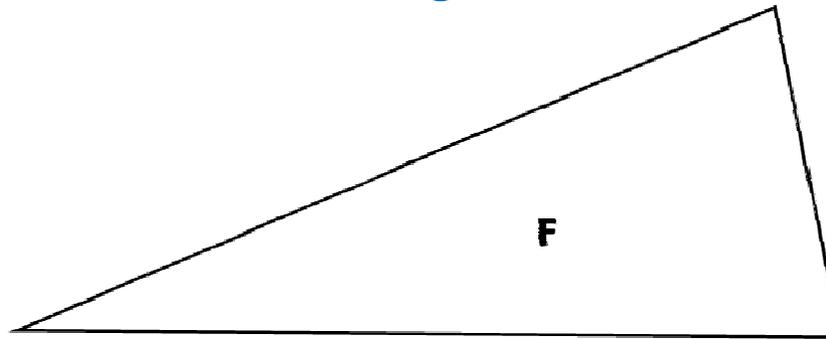

4 - Je trace un arc de cercle de cet écartement.

Instruments

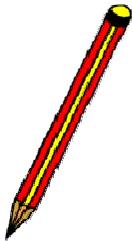

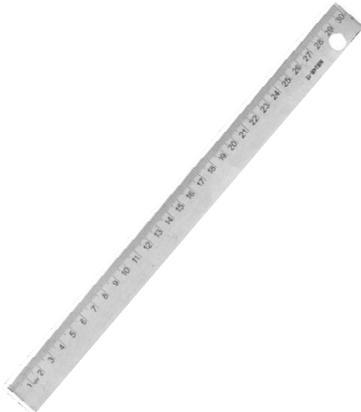

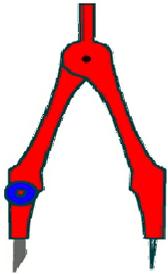

Reproduisons le triangle suivant :

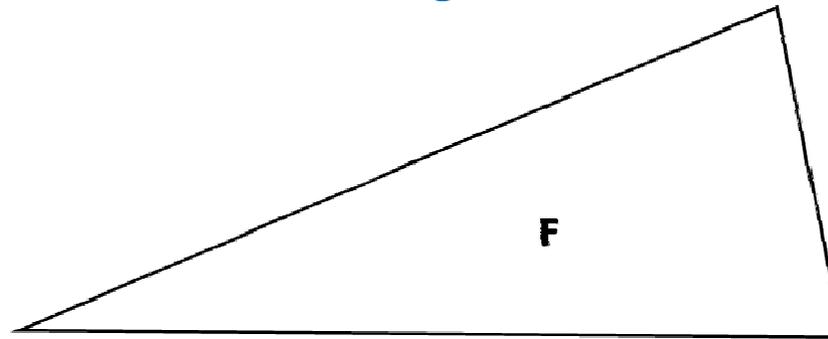

5 - Je fais la même chose avec le troisième côté.

Instruments

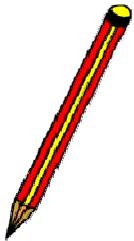

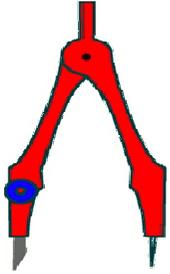

Reproduisons le triangle suivant :

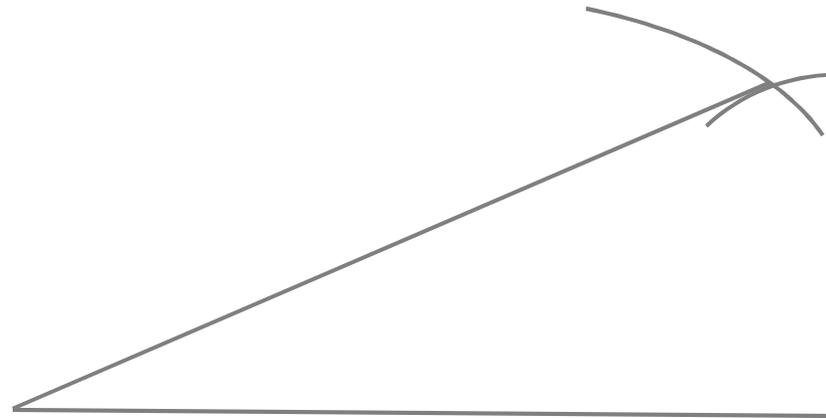

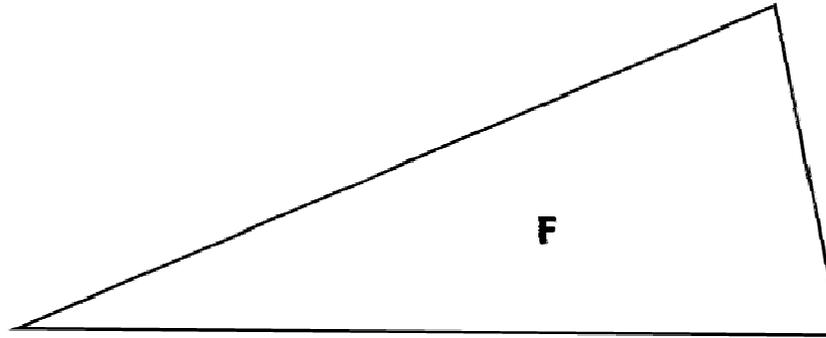

5 - Je fais la même chose avec le troisième côté.

Instruments

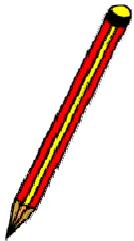

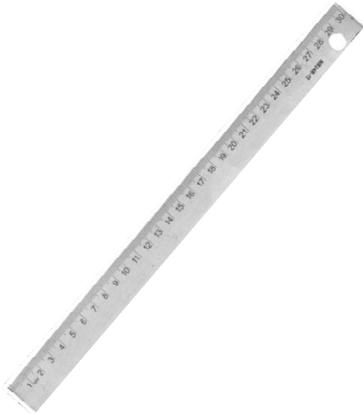

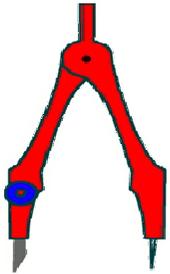

Reproduisons le triangle suivant :

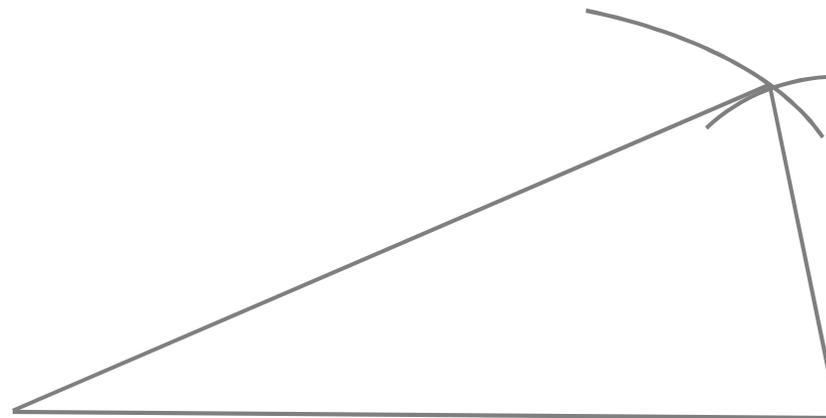

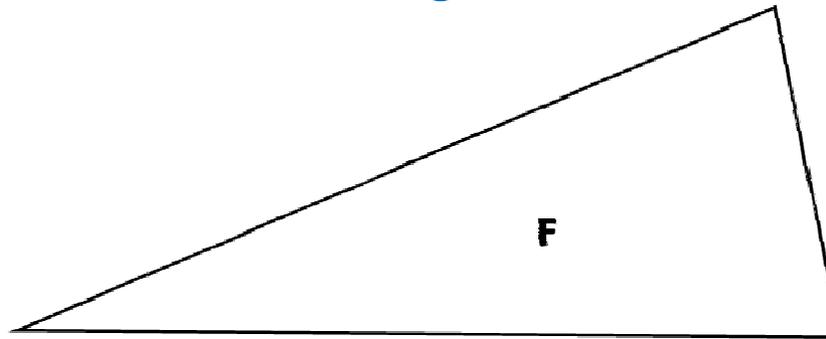

6 - Je relie mes points.

Instruments

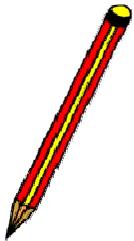

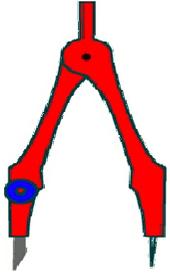

Reproduisons le triangle suivant :

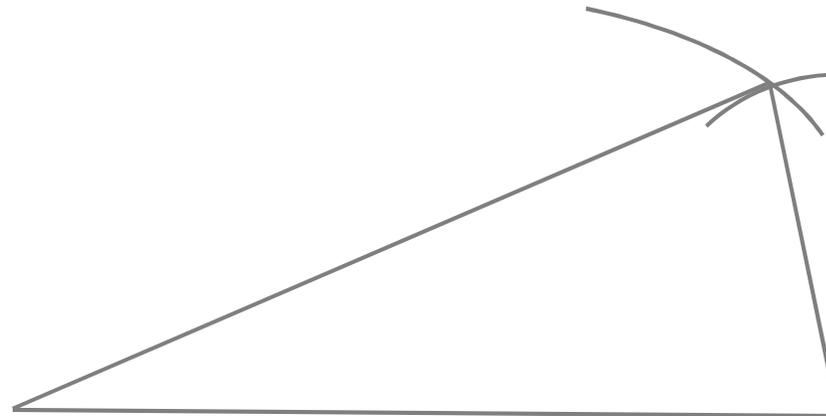

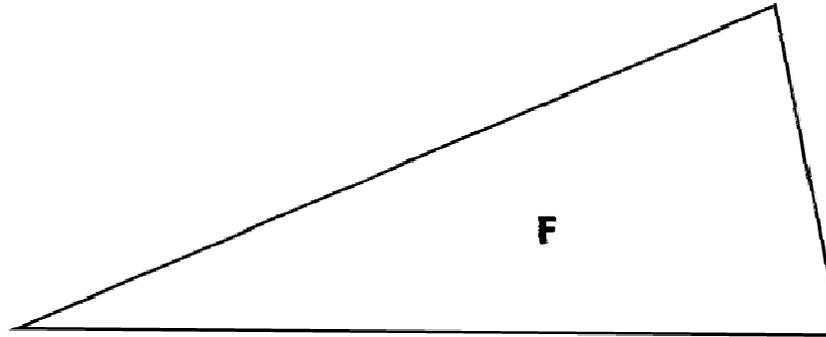

6 - Je relie mes points.

Instruments

Reproduisons le triangle suivant :

7 – J’admire mon travail...
