

9. Les formes

Activité 1

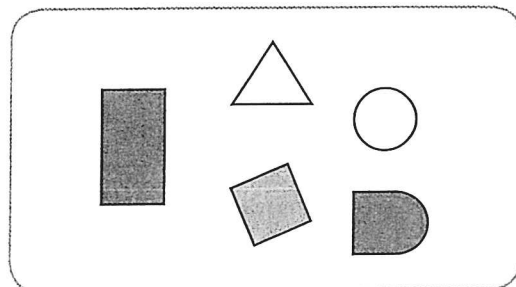

Séance 73 - Classons les figures (2)

1 Complète les phrases avec les mots *taille, forme et couleur.*

a) Ensemble A

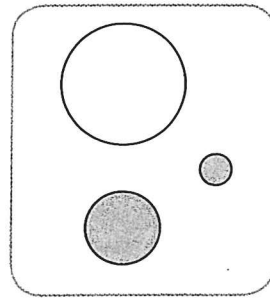

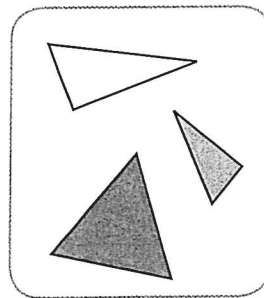

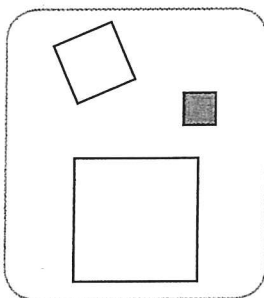

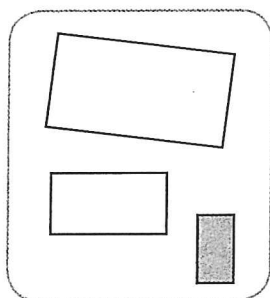

Ensemble B

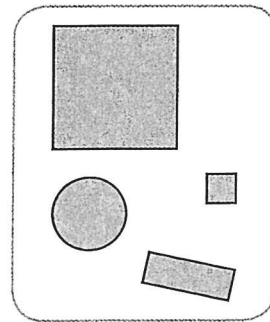

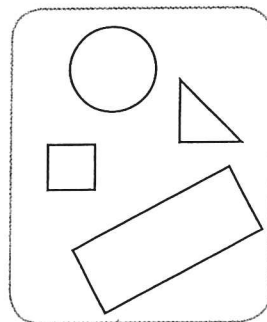

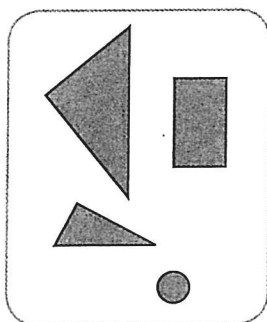

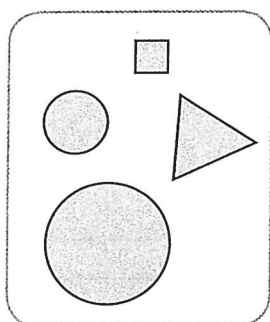

Ces figures sont classées par _____.

b) Ensemble C Ensemble D Ensemble E Ensemble F

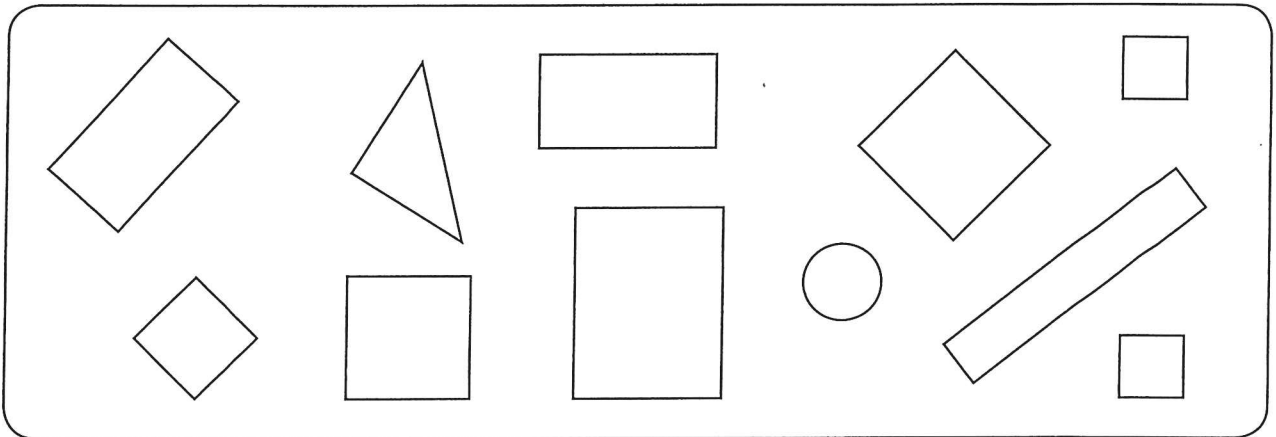

Ces figures sont classées par _____.

c) Ensemble G Ensemble H Ensemble I Ensemble J

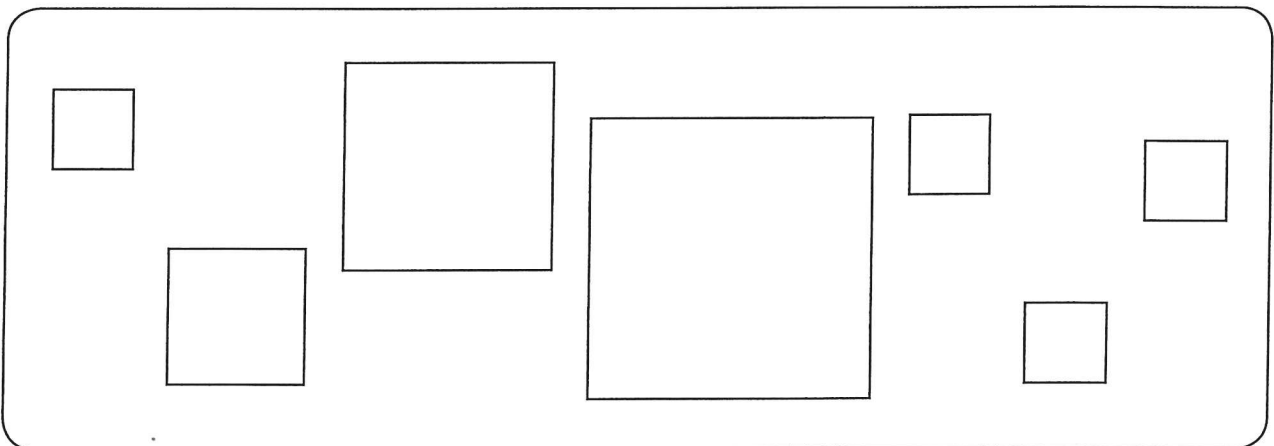

Ces figures sont classées par _____.

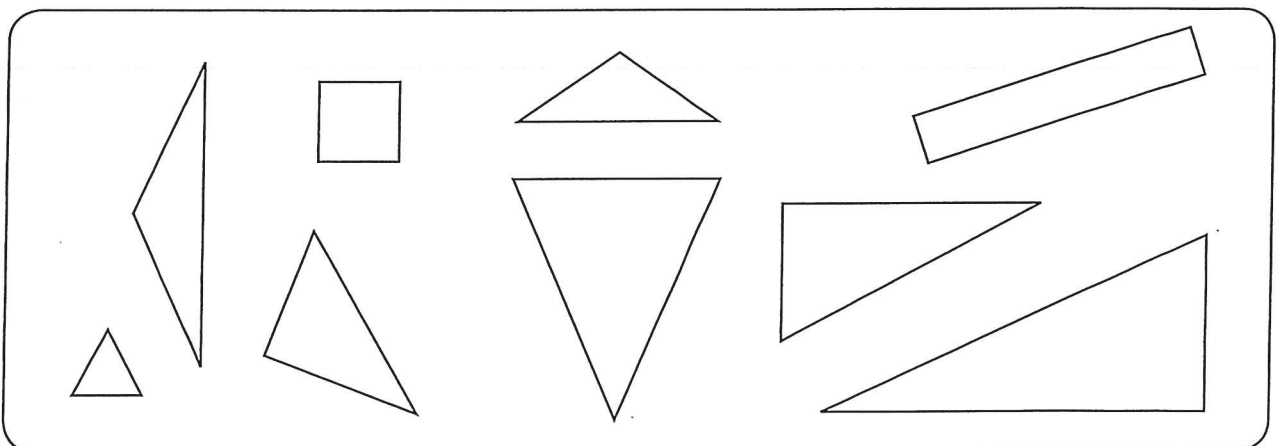

2 Ces figures sont classées selon leur nombre de côtés et de sommets. Colorie les intrus.

3 Colorie les figures qui ont la même taille.

4 Colorie les intrus puis complète la phrase.

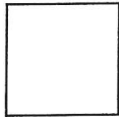

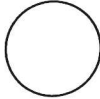

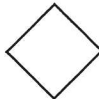

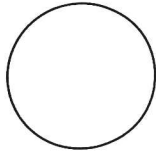

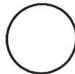

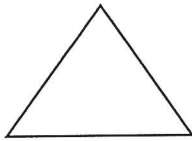

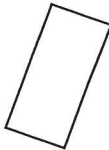

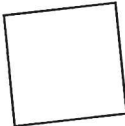

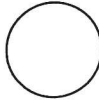

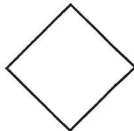

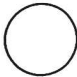

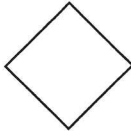

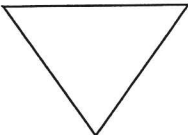

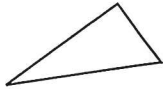

Les figures qui ne sont pas coloriées ont côtés.

9. Les formes

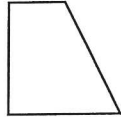

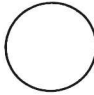

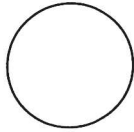

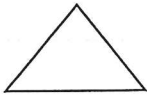

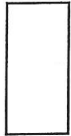

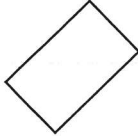

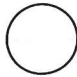

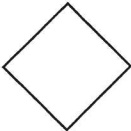

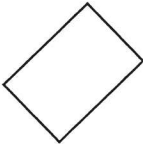

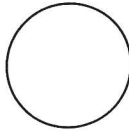

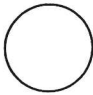

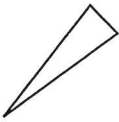

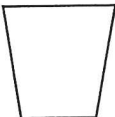

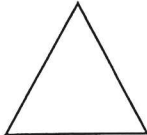

Activité 2

Séance 74 - Nommons les figures

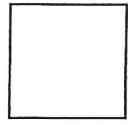

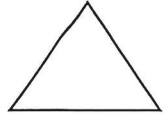

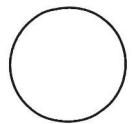

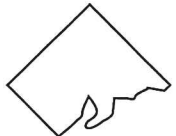

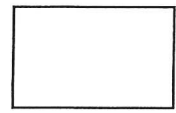

1 Colorie les figures qui sont à leur place.

cercles					
rectangles					
carrés					
triangles					

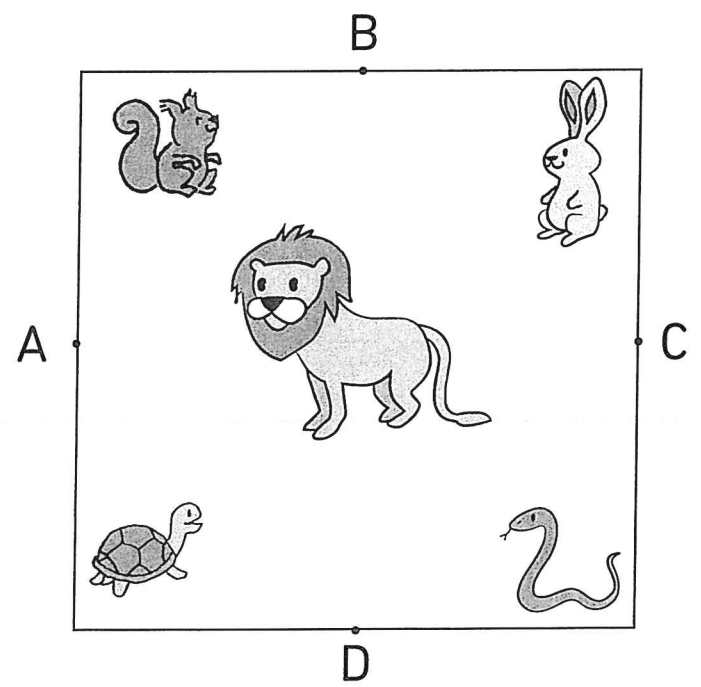

2 Barre les figures qui ne sont pas à leur place.

cercles					
rectangles					
carrés					
triangles					

3 Capi le chien a déchiré ces figures en papier.
 Peux-tu retrouver la figure de départ ?
 À l'aide de ta , trace des traits pour relier.

	•	• triangle	•	
	•	• carré	•	
	•	• rectangle	•	
	•	• cercle	•	

4 a) À l'aide de ta , trace les traits :
 A → B ; B → C ; C → D ; D → A.

b) Complète les phrases avec un nom de figure.
 Le lion est à l'intérieur d'un _____.
 Le lapin est à l'intérieur d'un _____.

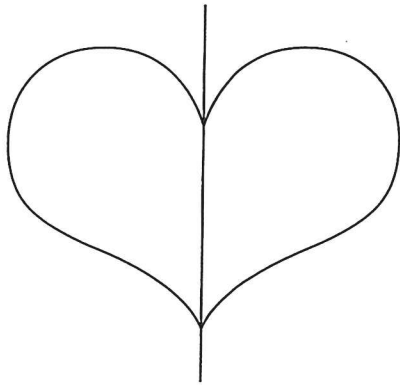

5 Colorie les carrés en bleu, les rectangles en vert, les triangles en jaune et les cercles en rouge.

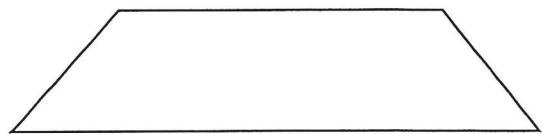

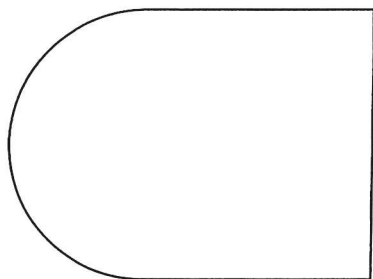

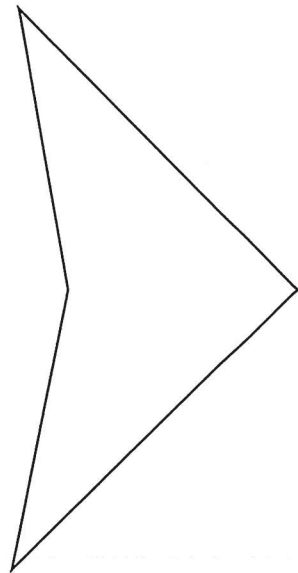

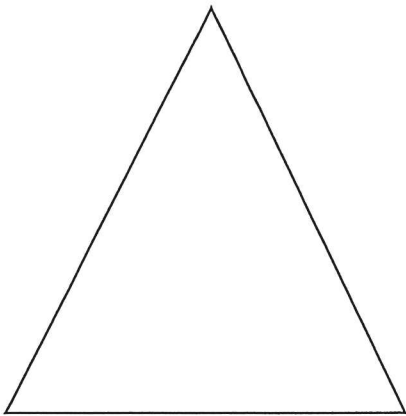

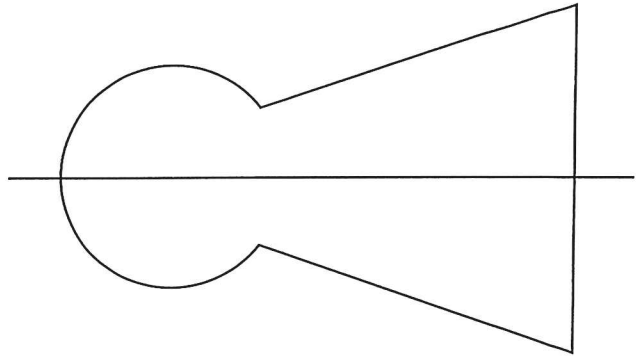

6 À l'aide de ta , trace un trait pour séparer chaque figure en deux moitiés.

Dans cette activité, les moitiés doivent avoir la même forme et la même taille.

Exemple 1

Exemple 2

- 7** Colorie les carrés en rouge.
