

✓ J'utilise le groupement par 10
pour dénombrer une grande collection.

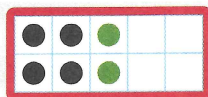

«Il y a trois paquets de 10 points et quatre points isolés.»

Dessine les cartes de 10 points et les points isolés.

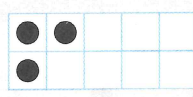

1

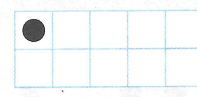

Complète à 6 avec des ronds verts et complète les égalités.

$$6 = 4 + 2$$

$$6 = 3 + \dots$$

$$6 = 1 + \dots$$
